## INTERNATIONAL PRESENCE

Unlike many economies around the world, Western Australia has remained buoyant in the face of recent global downturns. The state's mining and resources industries continue to thrive, heralding international projects, strong employment figures and a rise in construction activity. In 2011, the value of Western Australia's mining and petroleum industry reached a record A\$107 billion and projections suggest growth is likely to continue.

## ABOUT PERTH

Situated in Western Australia, Perth is a vibrant, welcoming and diverse city on the move. Home to blue skies, pristine beaches, boutique wineries and delicious local cuisine, Perth offers all the qualities of an international city in an idyllic, laid-back setting.

Perth is located in the same time zone as Hong Kong, Singapore, Beijing and Kuala Lumpur, meaning you can easily stay in touch with friends and family while you study in Perth. Western Australia also has a very multicultural population, with the highest proportion of all overseas-born residents of all Australian states and territories.

Perth's excellent standard of living makes it one of the most desirable places in the world to live, with residents and visitors enjoying more hours of sunshine than any other Australian capital city. Perth also has a great range of cafés, restaurants, cinemas, shopping, music and entertainment venues, and sporting facilities. Often concentrated in convenient and cosmopolitan precincts, they're all easily accessible by Perth's high-quality, affordable public transport system.

### EXPERIENCE PERTH

Fast-paced and multicultural, Perth's central business district (CBD) provides opportunities for sightseeing and shopping, all centred around the natural beauty of the Swan River. The CBD is home to attractions such as the Bell Tower, one of the largest musical instruments in the world, and the majestic Kings Park and Botanic Garden. Perth's more recent urban developments include the iconic Perth Arena, bustling Northbridge Piazza and the State Theatre Centre of Western Australia.

Perth's coastline comprises a long stretch of clear beaches, one of the city's major attractions. Collectively known as the Sunset Coast, Perth's beaches are popular swimming, surfing and snorkelling destinations, complemented by a variety of local cafés, restaurants and pubs. A short ferry ride from the mainland, Rottnest Island is Perth's idyllic island playground where visitors can enjoy beaches, ride bikes, and revel in the island's beauty and history.

### WEEKEND EXPLORING

Twenty minutes' drive from the city centre, Fremantle is a popular port city known for its high-quality seafood restaurants, weekend markets, unique shops, street performances and cappuccino strip. Fremantle Prison, which reopened as a public museum after it ceased to function as a prison in 1991, hosts exciting daily and nightly tours around the grounds.

The South West region of Western Australia is internationally recognised for its wineries, old growth forests and coastal beauty. Just a few hours' drive from Perth, areas such as Busselton, Dunsborough, Margaret River and Denmark are well worth visiting, attracting visitors year-round.

## ACCOMMODATION

Need a place to stay? Curtin English can offer support and information to help you find suitable accommodation during your stay in Perth.

### HOMESTAY

Stay with an Australian family, couple or single person and learn about life in Australia.

Most students choose to stay with a homestay family when they first arrive in Perth. It's a great way to improve your English skills and get to know your way around Perth. Your homestay family will provide you with everything you need.

Homestay full board offers three daily meals, 7 days a week. Homestay part board offers 2 daily meals on weekdays and 3 daily meals on weekends.

*Important note: Curtin English now outsources this service to a recognised homestay provider.*

### HOMESHARE

Gives you the experience of staying in an Australian home in your own room with the independence of arranging your own meals.

### DEMI-PAIR

In return for weekly house work and/or babysitting duties, you will receive free room and board as well as a small weekly payment.

### SHARE HOUSE

You'll take a room at a property other people are already living in. You may be living with other students, families or others who live nearby and have a spare room. Most room rentals are single rooms.

If you choose to share a house, you will have to prepare your own meals, as no meals are provided. Living in a share house is a great way to meet other students. You'll have friends in no time!

### RENTED ACCOMMODATION

You can rent your own house or apartment to live in. If you take this option you usually have a family or want to live by yourself.

If you want to rent your own accommodation, you will have to prepare all of your own meals.

### SHORT-TERM ACCOMMODATION

You can also choose to be accommodated short-term in hostel accommodation (from \$55 per night) or hotel accommodation (from \$120 per night).

*Note: prices are a guide only.*

Curtin English can offer support and information to help you find suitable accommodation, before or after you arrive in Perth.

Contact [english.enquiries@curtin.edu.au](mailto:english.enquiries@curtin.edu.au) for more information.
